GOD'S UP TO SOMETHING

God's Up to Something

BY PASTOR ALEX SMITH

Matthew 15:32-38

Then Jesus called his disciples to him and said, 'I have compassion for the crowd, because they have been with me now for three days and have nothing to eat; and I do not want to send them away hungry, for they might faint on the way.' The disciples said to him, 'Where are we to get enough bread in the desert to feed so great a crowd?' Jesus asked them, 'How many loaves have you?' They said, 'Seven, and a few small fish.' Then ordering the crowd to sit down on the ground, he took the seven loaves and the fish; and after giving thanks he broke them and gave them to the disciples, and the disciples gave them to the crowds. And all of them ate and were filled; and they took up the broken pieces left over, seven baskets full. Those who had eaten were four thousand men, besides women and children.

Sometimes, Christ makes a feast from loaves and fishes. Other times, it's with smiles and pizza!

I was working in my office one afternoon when I received a phone call from Corey, the manager of Meadowland Apartments, across the street from Peace. "How's it going?" she asked me. "And how's that gorgeous new gym of yours?" As it happened, the Holy Spirit had been hard at work in her life! God had put this great idea in her mind, and she wanted to know if we could make it happen together. "It's a little crazy," she had said, "But God won't let it go." Corey had been dreaming about the ways to best care for her residents, and had noticed that many local schools had been doing what are called community resource events. From health talks to clothing drives, these events have been a way to gather local neighbors together, so that we might share our abundance with those who are experiencing tough times or in need. "Why don't we try that, as the church?" Corey asked me. "I think God's up to something!"

This, indeed, was most certainly true! God was up to something extraordinary. We got together with Union Gospel Mission, Charis Ministry Partners, a few other friends, and got the ball rolling. Meadowland Apartments provided the pizza and community partners rallied with excitement. We advertised at the apartments and fast-food restaurants around us with a flyer for a "Community Resource Fair" happening on the first Friday of March in the Peace Lutheran gym, where anyone in our neighborhood would be welcome to stop by and hear about the variety of help, care, and connection offered by our local Sioux Falls community.

I was delighted when we had more than 15 local ministries and non-profits respond that they would attend. Everyone brought tables, decorations, and resources to share with our guests, and not a single person who came through our doors left empty-handed. From mental health resources to voter registration, and with familiar faces like our own Jackie Bailey (Necessities for Neighbors), Tammy Shaw (Feeding South Dakota), and Pastor Chris Matson (Church on the Street), countless neighbors and friends were provided with good care and conversation. We filled up the gym — and went through 24 whole boxes of pizza! — and everyone left feeling God's care. Thank you to everyone who helped make our first Community Resource Fair possible. We hope to make this a yearly, if not more regular, event. Blessings to you all!

Stephen Ministry

Dr. Kenneth Haugk is a pastor, clinical psychologist, and founder and Executive Director of Stephen Ministries. In the mid 1970's as he served as a solo pastor in St. Louis, Missouri, he realized one holy week that he couldn't do it all. That's when he trained lay people to provide one-to-one care. He admits his congregation wasn't receiving the quality of care they needed. Haugk said the most important reason he began this ministry, though, is because many have gifts of caring and this is a way to use those gifts. Today there are more than 12,000 congregations with Stephen Ministries programs around the world.

In Acts 6:8, Stephen was commissioned by the apostles to do acts of pastoral care. "At that time, as the church was growing and the apostles were doing all sorts of things, they didn't have the time to do the caring that they really needed to do. So, they appointed seven lay people, and Stephen was one of them. And he did great work, not only caring but witnessing to his faith – which is what Stephen Ministers do today," said Haugk.

Stephen Ministry began in 2017 at Peace and nearly 50 lay people have been trained in this caring ministry. If you're interested in learning more or want to join the team, new classes start September 12, 2024. There's more information in the Gathering Area and at peacelutheran.com/StephenMinistry.

Update on Peace Quilters

Peace Quilters have already sent a shipment of quilts to Lutheran World Relief and 12 quilts to Children's Home Shelter for Family (formerly known as Children's Inn). The quilters made 21 laundry bags for Laundry with Love. The group meets on the first and second Thursday of each month from 9:00am-12:00pm. All are welcome – no experience required!

Quilters are requesting flat sheets. If you're out shopping during Kingswood Rummage sale, please purchase flat sheets for the Peace Quilters!

WELCA Crossroads Conference Spring Gathering

On Saturday, April 20, the Crossroads Conference Spring Gathering will take place at Spirit of Joy Lutheran Church from 8:30am-2:30pm. The theme is *Let's Get Connected* with the feature speaker being Pastor Kari Webb, SD Synod Staff Director of Digital Community and Learning.

The Crossroads Board has chosen Children's Connection for the Love Gift. Children's Connection is a part of Family Connection. Their mission is: "Hope for families that must be apart". Family Connection was established in 1996 to provide temporary shelter, emergency supplies, and services and support to the families of inmates in an ongoing effort to facilitate visitation and to strengthen family bonds.

According to research, 556 children in the Sioux Falls area have a parent or loved one in prison. Children's Connection is providing these children with prevention programming to assist them in breaking this cycle of incarceration. Early intervention is the key to prevention. By getting involved with these children before they have an encounter with the criminal justice system Family Connection is improving their odds of success.

Be part of assisting Peace WELCA in donating crayons, colored markers, colored pencils, and reams of printer paper to Children's Connections by leaving your donations in the collection bin in the Gathering Area throughout April. Thank you so much!

Monthly Mission Moment

Twice per year, Peace volunteers join with members of Augustana Lutheran Church for a Charis Ministry Partners event called Food to You. This partner ministry of Necessities for Neighbors provides our local neighbors with a healthy, vibrant variety of fresh and frozen produce for making meals. As guests arrive, they are warmly welcomed and collect a large box to gather pantry items. Then, sliding the boxes along tables, volunteers provide guests with choices that correspond to the size of their household. Last time we gathered, Peace helped at East Side to serve everything from fresh Panera muffins to giant, frozen racks of pork ribs. It was such a delight to see people leaving with bags of fresh potatoes and onions, ready to make a hot soup to warm up from the winter weather.

This time, if March does indeed “come in like a lion and out like a lamb,” we might want to send them with more frozen goods! The food of the month is cereal, so don’t forget to drop of an extra box in our Gathering Area this month.

To volunteer for Food to You on Thursday April 18, please check out [PLC.Life](#) and register today!

Sermon Series

Words of Resurrection

Encounter our risen Savior and Lord through this new Easter sermon series, “Words of Resurrection!” After returning from death and the grave, Jesus speaks words of new life and resurrection to strengthen the faith of his disciples. In turn, the disciples of Jesus witness these words to one another, speaking hope, grace, truth, and love into a hurting world. From that famous fish fry on the beach to the burning fires above heads at Pentecost, the Holy Spirit moves, and Jesus speaks words of life to believers. Join us to hear and witness the Word!

April 6, 7, & 10 | “Do not doubt, but believe.” | John 20:19-29 | Easter 2

Jesus appears to the disciples behind closed doors and offers them a word of peace and courage. Thomas asks for assurance, and Jesus shows him the wounds of his death and resurrection.

April 13, 14, & 17 | “Cast your nets.” | John 21:1-14 | Easter 3

Jesus appears again to the disciples, this time on the lakeshore. He instructs them to take heart and believe in the unlikely abundance of fish. Then, he feasts with them at the fireside.

April 20, 21, & 24 | “I am what I am.” | 1 Corinthians 15:3-11 | Easter 4

Paul writes to the church in Corinth about Jesus’ gift of death and resurrection for all. He proclaims that, for all of his beauty and brokenness, it is God’s gifts of grace and new life that make him a worthy disciple.

April 27, 28, & May 1 | “The last enemy.” | 1 Corinthians 15:12, 20-28 | Easter 5

Paul writes to the church in Corinth about the power of Christ’s Easter resurrection. He reminds the believers that Christ’s authority reigns both here and on earth; even, over the power of death itself.

Music

There was so much great worship during Holy Week!! From our kids leading us in the procession of palms, to Barb Hegg & Kyle Quanbeck on piano and organ, with vocal support from Russell Svenningsen and Susan Thie on Palm Sunday; to First Communion on Wednesday with special music by our Children’s Handchimes and Youth Bells; to Maundy Thursday with the Adult Choir; to the Adult Bells with Emily Breitling on violin, Peace Brass, and Sam Gordon playing tuba on Good Friday; to Easter Sunday with the Adult Choir and Peace Brass. Of course, we have to thank Kyle for anchoring almost all of these services at the organ. Although we may not have been able to enjoy our new Gathering Place, it did not take away from our 16 wonderful worship services during Holy Week!

Once again, Peace Brass will be sharing their talents at Eastside Lutheran on April 7. The Peace Orchestra will be playing on April 21 at the 8:00 & 9:00 services. Our Celebration & Jubilation choirs will be leading the music at worship on Saturday, April 20, and the Children’s Handchimes and Youth Bells will have their final performances the weekend of April 27 & 28.

NEW to Peace is our Rock & Roll Service on Sunday, April 14 at the 10:10 & 11:15 services! Our own Jeremy Skrenes is putting this together. Here's what he has to say about this service: "Hymns for the Rock and Roll service draw their influence from the Beatles to Bruce Springsteen and modern sounds. But fear not! They have been carefully arranged to be just as enjoyable and singable as a campfire sing along. Come praise God with us in a new and old way on April 14 when this rock will cry out!"

The Mariachi services will be Sunday, May 5 at the 10:10 & 11:15 services.

We're always looking to bring more special music to our services throughout the year! If you have a desire to share your musical talents with Peace, please contact Bob Levesque (bob@peacelutheran.com) or Darya Levesque (darya@peacelutheran.com) for more information on how you can be a piece of Peace. We'd love to have you be a part of our music team by sharing your musical gifts this summer through special music!

First Communion Milestone Recap!

Second graders and above participated in a milestone activity preparing for their First Communion. The participants did various activities consisting of decorating a quilt square used to make into one big quilt from everyone receiving communion, mixing up and baking special wafers that were used during the special First Communion worship service, and painting a chalice that was also used when receiving their first communion.

Another fun part of the milestone was talking with Pastor Elizabeth and learning about communion. Where did communion start and why? Then our students taste tested the wine, grape juice, and wafers. They tried both the wafers we normally have in worship and the ones they made that night. We got to welcome 50 children to God's table on March 27!

Be the Bridge: Pursuing God's Heart for Racial Reconciliation by Latasha Morrison

“In an era where we seem to be increasingly divided along racial lines, many are hesitant to step into the gap, fearful of saying or doing the wrong thing. At times the silence, particularly within the church, seems deafening. But change begins with an honest conversation among a group of Christians willing to give a voice to unspoken hurts, hidden fears, and mounting tensions. These ongoing dialogues have formed the foundation of a global movement called Be the Bridge—a nonprofit organization whose goal is to equip the church to have a distinctive and transformative response to racism and racial division.

In this perspective-shifting book, founder Latasha Morrison shows how you can participate in this incredible work and replicate it in your own community. With conviction and grace, she examines the historical complexities of racism. She expertly applies biblical principles, such as lamentation, confession, and forgiveness, to lay the framework for restoration. Along with prayers, discussion questions, and other resources to enhance group engagement, Be the Bridge presents a compelling vision of what it means for every follower of Jesus to become a bridge builder—committed to pursuing justice and racial unity in light of the gospel.”
